# WHAT IS SCORPION TOKEN

\$SCORPION is a meme token that is 100% community driven. We focus on long-term value and provide convenience for each holder. We were created from the crazy ideas of a team focused on values, fundamentals, social media and valuable long-term assets.

WELCOME TO

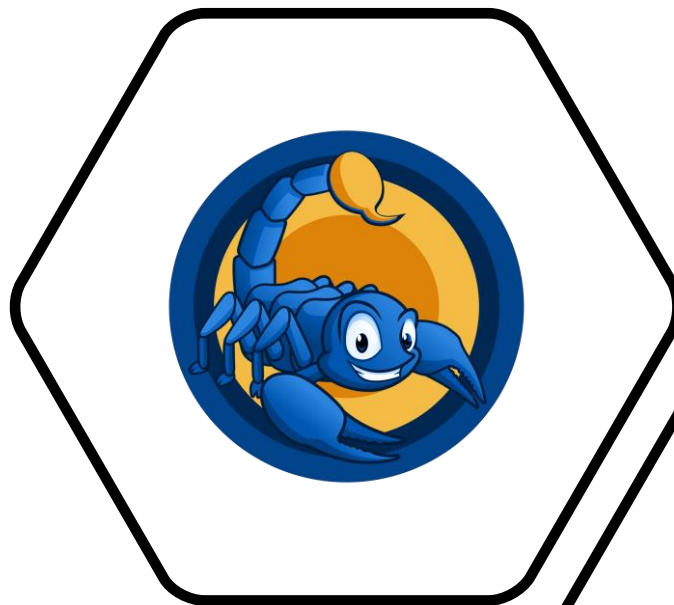

**SCORPION**

# SCORPION TOKEN TEAM

In essence, the \$SCORPION community is grown and nurtured by invisible hands or in other words it is a long term asset driven by the community. Just like BTC or DOGE, even today you never know who is behind it.
